

Peer programming: Spaghetti HUD

Group members:

Korben 9-Spaghetti Studio

Collin 9-Spaghetti Studio

Liam 5-SuperNova Nerds

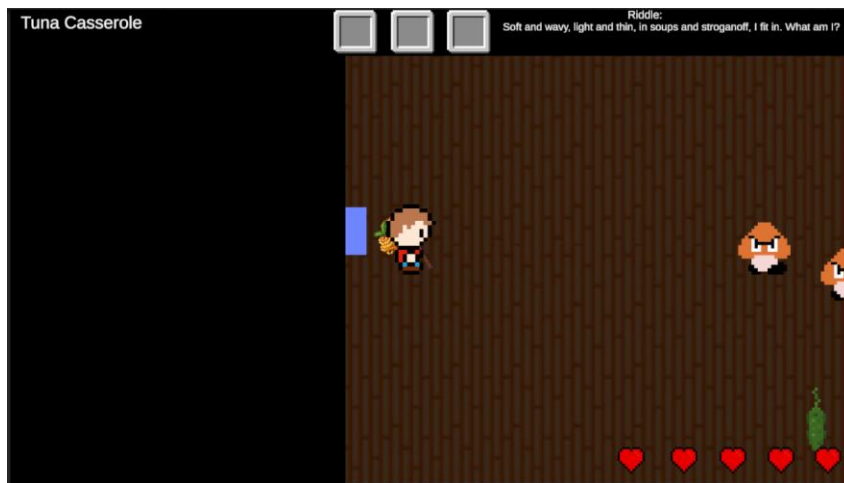

Monse 7-defaultCompany

Shruti 8-Everest Elites

Features we worked on:

- Fixed the bug preventing the presentation of the quest and hints at the top of the screen
- Made it possible to delete items from your inventory
- Changed hearts from triangles to heart sprites and made a backup script

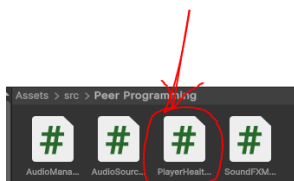

Screenshots of changes:

Health bar sprites:

Health bar backup script:

Riddle showing up:

Riddle:

Soft and wavy, light and thin, in soups and stroganoff, I fit in. What am I?
